

Welcome to The Netherlands

Starting operations in The Netherlands requires expertise on local rules and regulations that need to be followed, but also on structuring your operations in an efficient way from both an operational, accounting and tax perspective. It is then that it pays off to have the constant support of a reliable consultant. De Keijzer Nipius & Co specializes in accounting and tax counselling with a broad company perspective. In our view, accounting and tax consulting are an integrated part of your company policy, making our approach particularly comprehensive and providing you with a firm grasp of the specific situation you are in.

Active and dedicated

De Keijzer Nipius & Co, located in Amsterdam, is a rapidly expanding organization of accountants and tax advisors. Our company offers the advantages of being both young and established, our experience providing a sound foundation for backing you with a broad range of services. Besides tax compliance and advisory we can also do VAT, payroll, audit and all kinds of administration services. To offer maximum service for international clients, De Keijzer Nipius & Co is a member of an international network that provides local expertise. We keep abreast with the latest developments in the international market, primarily in the field of legislation and regulations. Through this network, we can provide services and support to clients who want to do business across the Dutch borders.
